1. **Approve** DAP Application reference DAP/19/01599 and accompanying plans (Attachments 3-9) in accordance with Clause 68 of Schedule 2 (Deemed Provisions) of the *Planning and Development (Local Planning Schemes) Regulations 2015* and the provisions of the City of Greater Geraldton Local Planning Scheme No. 1 subject to the following conditions and advice notes:

Conditions

1. Development/land use shall be in accordance with the attached approved plan(s) and subject to any modifications required as a consequence of any condition(s) of this approval. The endorsed plans shall not be modified or altered without the prior written approval of the local government.
2. This decision constitutes development approval only and is valid for a period of 5 years from the date of approval. If the subject development is not substantially commenced within the five year period, the approval should lapse and be of no further effect.
3. Internal access roads (shown as "new road") shall be constructed and drained to a compacted gravel standard, and thereafter maintained to the approval of the local government.
4. No signs or hoardings are to be erected on the lot without the prior written approval of the local government.
5. Prior to lodging an application for a building permit, the applicant must submit and have approved by the local government, and thereafter implement to the satisfaction of the local government, a construction management plan addressing the following matters:
 - a. Construction traffic management,
 - b. Signage,
 - c. Noise Management,
 - d. Stormwater and dust management,
 - e. Construction operating hours,
 - f. UXO surveying requirements; and
 - g. Environmental management.
6. Prior to commencement of the development/land use, the landowner/proponent is responsible to ensure that an Environmental Management Plan is lodged with the local government for its approval, and is approved by the local government setting out in detail the management commitments and actions to mitigate potential impacts relating to:
 - a. Remnant vegetation,
 - b. Soil,
 - c. Contamination,
 - d. Stormwater; and
 - e. Fire management.

Once approved, the landowner/proponent from time to time is responsible to ensure, that all installations, activities and processes carried out at all times and in all respects in accordance with the Environmental Management Plan.
7. The Battery Energy Storage Facility and Switching Station shall be consistent in colour and finish with the existing buildings, to the approval of the local government.

8. The applicant is required to give at least 3 months' notice to the local government if the proposed development is to cease operations and all solar panels and infrastructure must be decommissioned and removed within the 1-2 years of giving this notice, unless the local government agrees otherwise.

Advice Notes

1. Where an approval has so lapsed, no development shall be carried out without the further approval of the local government having first been sought and obtained.
2. If an applicant is aggrieved by this determination there is a right (pursuant to the *Planning and Development Act 2005*) to have the decision reviewed by the State Administrative Tribunal. Such application must be lodged within 28 days from the date of determination.
3. Any additions to or change of use of any part of the building or land (not the subject of this approval) requires further application and development approval.
4. The proponent is encouraged to provide a contribution (by way of additional works or a financial contribution) to the existing public viewing facility along Nangetty-Walkaway Road. Prior to the commencement of the development/land use and in consultation with the local government, the landowner/proponent is to lodge with the local government proposed details of the location, size and other specifications for the interpretative signage for approval by the local government.

The Report Recommendation was put and CARRIED UNANIMOUSLY

REASON: In accordance with details contained in the Responsible Authority Report.
