6. **Provide a detailed description of the enterprise proposed for the permit area including a list of all facilities that are to be used or proposed to be constructed. (NOTE: For low-key tourism permit applications, you must describe how these will be pastorally-based activities, as well as the maximum number of overnight visitors per area eg. staying in homestead, in shearers quarters, in camping area, etc. For permits involving non-indigenous pasture species, you need to provide the plant genus and species (ie the botanical name) of the proposed plant type(s).**

This proposal will be referred to other relevant organisations such as Government Departments and Native Title Claimants for comment. To comment, they need to know sufficient details about the proposal. Providing insufficient detail will delay the assessment of this application. In some cases, a management plan of the proposal will be required to assist in the assessment – you will be contacted if this is necessary.
