

Aboriginal Heritage Act 1972

Notice of Receipt of Agenda Items for the Aboriginal Cultural Material Committee

The principal purpose of the Aboriginal Cultural Material Committee (ACMC) is to provide advice to the Minister for Aboriginal Affairs regarding the importance and significance of Aboriginal sites. The Committee makes recommendations to the Minister as to whether consent should be granted to use land containing Aboriginal sites for particular purposes, and if so on what conditions, as required by Section 18 of the *Aboriginal Heritage Act 1972*.

The list below provides a preliminary overview of Section 18 Notices received by the Department of Planning, Lands and Heritage (DPLH) for possible consideration by the ACMC at its meeting on 13 October 2020.

Whilst DPLH has endeavoured to contact interested parties, people who may be affected by any of the matters listed below and wish to provide written submissions, can write to:

REGISTRAR OF ABORIGINAL SITES

The closing date for receiving written submissions is 12.00 pm **28 September 2020**. The ACMC will not consider submissions received after this date.

Preliminary overview of section 18 Notices submitted for the ACMC meeting to be held in Perth on 13 October 2020

Applicant	Land	Purpose
Main Roads Western Australia	Various parcels of land between Forrest and Bussell Highways, Bunbury, Southern.	Bunbury Outer Ring Road, (Northern and Central Sections) – construction and ongoing maintenance. Construction and operation of approximately 19km of new, and upgrade of existing, freeway-standard dual carriageway and principal shared path and associated bridges, intersection realignments, interchanges and other infrastructure including, but not limited to culverts, lighting, noise barriers, fencing, landscaping, road safety barriers and signs. New bridges are required to transverse the Ferguson, Preston and Collie Rivers. New culverts are required to transverse small creeks within the BORR project area. Activities will also include geotechnical investigations, native vegetation clearance (pursuant to EPA approval) and ongoing maintenance of roads and bridges, as required.
Main Roads Western Australia	Road, Brand Highway, Cataby, Land Act No. 1226154, Shire of Dandaragan, Gingin, Metro/Wheatbelt.	Bridge 0666 Brand Highway, refurbishment, future replacement and ongoing maintenance. Works consist of new guardrail and approach slabs, corbel replacement, pot pile repairs (involves excavations), abutment and wingwall widening (involves excavation), rock protection installation involves (excavation), construction of office and lay down area (involves vegetation clearing), possible temporary side-track, geotechnical investigations. The works will also account for any future maintenance of the bridge and upgrades to road and bridge (including replacement).
Main Roads Western Australia	Reserve, 14073, Lot 28302 on Plan P210583, CT 3144/054, Great Eastern Highway, Wooroloo, Land Act No.s 217037, 448362 & 448363 Wooroloo, Reserve 14073, Lot 29117 on Plan P191863, CT 3144/056, Road, Land Act No. 1122233, Wooroloo, Reserve 14073, Lot 17969 on Plan P160874, CT 3144/051, Linley Valley Road, Land Act No.s 448082 & 448078, Wooroloo, Road, Land Act No.s 1200177, 218667 & 11738681, Wooroloo,	Great Eastern Highway realignment, upgrades and ongoing maintenance – Wooroloo Section. To upgrade a section of the Great Eastern Highway, known as the Wooroloo Section, located approximately 20km east of Mundaring on the outskirts of the Perth Metropolitan area. The plan is to reconstruct the road, upgrade it to a 110km/h compliant design, provide an audible centreline with 1m wide median, and establish verge-side wire rope safety barriers. Upgrade works will include, reconstruction and realignment of Great Eastern Highway, installation of side wire rope safety barriers, vegetation clearing, realignment of Old Northam Road intersection, temporary side-track, future maintenance and upgrades, geotechnical drilling. Generally, the works will involve large machinery such as excavators (under 10

	Road, Great Eastern Highway, Land Act No.s 11586219, 11738671 and 12015400, Wooroloo, Road, Old Northam Road, Land Act No.s 11738673 12012357, Wooroloo, Metro/Wheatbelt.	tonne), mini excavators, cranes, bobcat, utes, and other geotechnical equipment.
Main Roads Western Australia	South Coast Highway, Dalyup, Land Act No.s 11714922, 11714923, 1286570, 1327031, 1327034, and 1327029. Lot 24, South Coast Highway, Land Act No. 788091, Lot 25, South Coast Highway, Land Act No. 788092, Lot 20, South Coast Highway, Land Act No. 788088, Lot 27, South Coast Highway, Land Act No.s 1159792 and 1159793, Unallocated Crown Land, Land Act No.s 992601 and 992605, Lot 50, South Coast Highway, Land Act No.s 1250158, 1250159 and 1250160, Murray Road, Land Act No. 11644925, Napier Road, Land Act No. 11642278, Lot 51, Land Act No. 1234146, Lot 2135, Land Act No.s 1234147 and 1234149, Lot 23, Land Act No. 788090, Lot 300, Land Act No. 11476740, Esperance, Goldfields.	South Coast Highway upgrade, replacement & maintenance of Bridge 0997, Esperance. Proposed works will include, construction of a new bridge next to existing Bridge 0997 over Dalyup River, removal of existing Bridge 0997, realignment of South Coast Highway for safe access to and egress from the new bridge, upgrades at the intersections with Napier Road and Murray Road, construction of a new acceleration lane, geotechnical investigations, ongoing maintenance and upgrades, as required.
Public Transport Authority of Western Australia	Lot 811 on Plan 405371, CT 2925/245, 233 Drumpellier Drive, Land Act No.s 12244796, 12244815, Whiteman, Lot 626 on Plan 3698, CT 1693/705, 626 Cranleigh Street, Land Act No. 12322, Bennett Springs, 'Closed Road' Land Act No. 1255235, Public Road, Cranleigh Street, Land Act No. 1335814, Bennett Springs, Public Road, Land Act No. 1335811, Bennett Springs, Perth.	Morley-Ellenbrook Railway Line Bridge at Bennett Brook. To facilitate construction, operation and maintenance of a Railway Bridge at Bennett Brook, with activities including (but not limited to) design investigations, vegetation clearing, piling, levelling of the ground surface, structures, earthworks, drainage, trackworks, electrical power/telecommunication works, placement of concrete and/or bitumen for access roads and construction pads/laydown areas, stone pitching, fencing and asset management.
Sandfire Resources Ltd	Tenement E52/1715, Great Northern Highway, Meekatharra, Gascoyne.	Old Highway Resource Definition Drilling, to undertake resource definition drilling across a known 4km mineralised trend in the Land to define an economic JORC compliant gold resource to support applications for approvals and tenure to establish a new open pit mining operation.
