

**Aboriginal Heritage Act 1972**  
**Meeting of the Aboriginal Cultural Material Committee (ACMC)**

**Section 18 Notices to be discussed at the ACMC meeting to be held in Perth on 27 October 2020**

Applicant	Land	Purpose
Main Roads Western Australia	Reserve 16101, Lot 100 on Plan P037484, CT 3131/991, Great Central Road, Laverton, Land Act No.s 11171199 and 11171200. Lot 382 on Plan P066815, CT 3156/966 Great Central Road, Laverton, Land Act No. 11869861, Unallocated Crown Land Great Central Road, Laverton, Land Act No. 11452794, Goldfields.	Great Central Roads Upgrades – Deeba Parking Bay and Rest Area. To upgrade and seal the existing Great Central Road between Laverton and the Northern Territory border. The general upgrade works will involve a series of ground disturbance activities along this stretch of road. At the 'Deeba Rockhole' location, between SLK36 and SLK37, Main Roads plan to construct a parking bay and rest area for road users. This area will be located to the north of the road and will accommodate the following; proposed new parking bay and rest area (with picnic table and toilets), 20m wide corridor for an access track off the highway, 5m wide corridor for a pedestrian track (which follows an old road) leading up to signs at 'Deeba Rockhole'. The works will involve vegetation clearing, various earthworks, signage installation and bitumen sealing.
St Barbara Ltd	Tenement M37/586, Goldfields.	Harlech North Diversion Bund Luxie's Flat. Minor maintenance work to the catchment surface run off diversion bund. Construction of a 25m length flood diversion bund to the immediate north west of the mine pit. This bund should extend across the existing access track and divert catchment flow into the main creek.
Development WA	Lot 912 on Plan P060213, CT 2730/722, Midland Road, Bushmead, Perth.	Lot 912 Midland Road, Bushmead, Residential Development. For the removal of existing structures on the land and development of a residential sub-division. The development will also include Public Open Spaces, foreshore reserves, community facilities and a Primary School.
Sandfire Resources Ltd	Tenement E52/1715, Great Northern Highway, Meekatharra, Gascoyne.	Old Highway Resource Definition Drilling, to undertake resource definition drilling across a known 4km mineralised trend in the Land to define an economic JORC compliant gold resource to support applications for approvals and tenure to establish a new open pit mining operation. Activities the subject of this Notice are all associated works including geophysical surveying, close-spaced reverse circulation (RC) and diamond drill holes (DDH), hydrological drilling, formation of drill pads, sumps and access tracks/roads and/or drill lines and formation and use of borrow pits and turkey nests.
